

2012 CHARDONNAY

We source these grapes from several prime vineyards in Russian River Valley, and each year are rewarded with a delicious blend. The aromas are of ripe pear, lemon, mineral and crème brûlée. Color is a brilliant light straw. The flavors match the aromas in this lovely, crisp yet fat mouthful of delicious Chardonnay. Lush and pure, very round mouthfeel and clean balance. Very lightly oaked with a hint of spice and sweet toastiness, mostly enhancing the layers of ripe fruit. Delish!
