

## 2013 CHARDONNAY

Brilliant light straw in color with wide open aromatics, this Chardonnay is one of our best. The nose is of crisp Fuji apples, a hint of citrus and beautifully integrated, toasty French oak used only as an accent. I also get a slight mineral note in the nose, which we don't often see in California wines. Classic Chardonnay. True varietal character continues on the palate. Lush, soft, juicy, pure clean flavors of fresh apple, pear and a touch of mineral and toast dance in the mouth. Very well balanced and flat out delicious. Enjoy!

Heidi P. Barrett, Winemaker
