

2012 FANTESCA ESTATE  
CABERNET SAUVIGNON

2012 was a wonderful vintage that produced some amazing wines. Our Estate Cabernet is dark ruby in color with aromas of red plums, ripe berries and layers of sweet, caramelized, toasty French oak. Fully ripe aromas lead to a soft and lush medium-bodied wine. It is elegant and somewhat restrained—reminiscent of many Bordeaux wines. This vintage will benefit from further aging.
