

2014 KING RICHARD'S RESERVE PINOT NOIR

The 2014 growing season got off to an early start, followed by a warm dry summer creating the stage for another very early harvest. Outstanding growing conditions produced a ripe, concentrated, complex and very deep wine.

Aromas of dried spice, tobacco, rose petals and fresh boysenberry envelop the glass of this vintage. The wine is dark and dense, with a velvety texture throughout. Mouth filling soft tannins and plenty of fresh fruit round out this full bodied Pinot.
