

2013 ESTATE CABERNET SAUVIGNON

This Estate Cabernet Sauvignon fills the glass with deep garnet hues and luscious aromas of red cherries and blackberry jam. Great ripeness and concentration come from our Spring Mountain estate vineyards. Plush silky tannins flow across the palate. Excellent purity of fruit combines with rich layering and amazing length that allows the opulent flavors to persist for several minutes. The 2013 is a very successful vintage that can be enjoyed upon release, but will likely last for up to 20 years.
