ESTATE & WINERY

2014 ALL GREAT THINGS "HOPE"

All Great Things "Hope" is a dark ruby color in the glass. The aromatics are bright with ripe blackberries, black cherry and toasty French oak. The grapes for this red wine come from mountainous vineyards on the eastern side of Napa Valley, in contrast to the western side where Fantesca's estate vineyards are planted. All Great Things "Hope" is big, bold and ripe. It's quite delicious with spicy jammy fruit flavors, a touch of vanilla, and compact silky tannins. This wine is nicely balanced and should age well for many years. Enjoy!
