

2015 KING RICHARD'S RESERVE PINOT NOIR

The 2015 growing season began early and produced a light crop due to the ongoing drought conditions over the past years.

Temperatures remained consistent throughout the summer and resulted in an early harvest of small, concentrated grapes that resulted in a lush Pinot Noir.

Aromas of warm berry compote, baking spices and dried herbs leap from the glass. Flavors of macerated cherries join silky tannins and a plush mouthfeel with a lingering dark fruit finish.

This wine is the ideal balance of full-bodied elegance.
