2016 CHARDONNAY

Light golden straw in color with brilliant clarity. This beautiful Chardonnay features aromas of pear, green apple and fresh citrus. Very clean and pure aromas with just a kiss of French oak. Flavors match armatures in this perfectly balanced Chardonnay. I love the luxurious mouthfeel of this wine and the “just right” crisp acidity. The ripe fruit character really comes through. The finish is clean and lingering leaving you wanting another sip.

Absolutely delicious!
