

2015 ESTATE CABERNET SAUVIGNON

This wine is a dark berry jam in color with wide open aromatics. Concentrated and perfectly ripe fruit aromas of cherry, blackberry and a touch of French oak. Across the palate, it is dense and rich, again concentrated from the low crop vintage of 2015. Mouth-coating and vibrant flavors match the aromatics with moderate textural tannins and medium-plus body and weight. Flavors persist with a nice finish. This wine will be age-worthy and while tasty now, it will benefit from a bit more time in the bottle.
