

2016 ALL GREAT THINGS “JUSTICE”

2016 was a very successful vintage in Napa Valley producing fully ripe wines with depth of character. This dark colored ruby wine has a beautiful open aroma profile of pure ripe Cabernet at its best—berries, black plums, cedar and a touch of spice. Across the palate it flows, silky yet powerful. A very expressive wine that is unmistakably Napa Valley. Flavors mirror the aromas with ripe black berries and a nice touch of French oak that enhances the gorgeous fruit of this wine. Tannins are moderate and seamless leading to a long finish. This wine definitely has the “wow” factor of yumminess. For collectors this will also be age worthy although so delicious now. Enjoy!
