

2018 KING RICHARD'S RESERVE PINOT NOIR

High yields and high quality. We were blessed with consistently warm temperatures throughout the growing season with no major heat spikes. This provided plenty of time for the abundant crop to mature to optimum ripeness. The wine comes out of the glass with an abundance of dried rose petals and fresh cherries. Plenty of dark fruits on the palate with a classic Russian River finish of fruit and dried spices supported by supple tannins.

Tony Arcudi, Associate Winemaker
