

2016 ESTATE CABERNET SAUVIGNON

This Cabernet is a very dark black cherry color with aromas of currants, blackberries and dark plum. Just a hint of caramel and toasty French oak, but the ripe fruit dominates the aromas. Across the palate, the wine is silky and luscious, medium-bodied yet mouthcoating and seamless. Structurally built to age, yet very tasty right now with soft tannins and a nice, persistent length. A well-balanced delicious wine from our estate vineyards here on Spring Mountain. Cheers!
